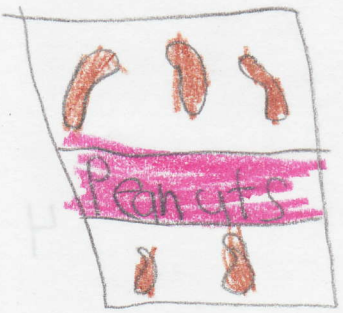
By Rachel Stoller

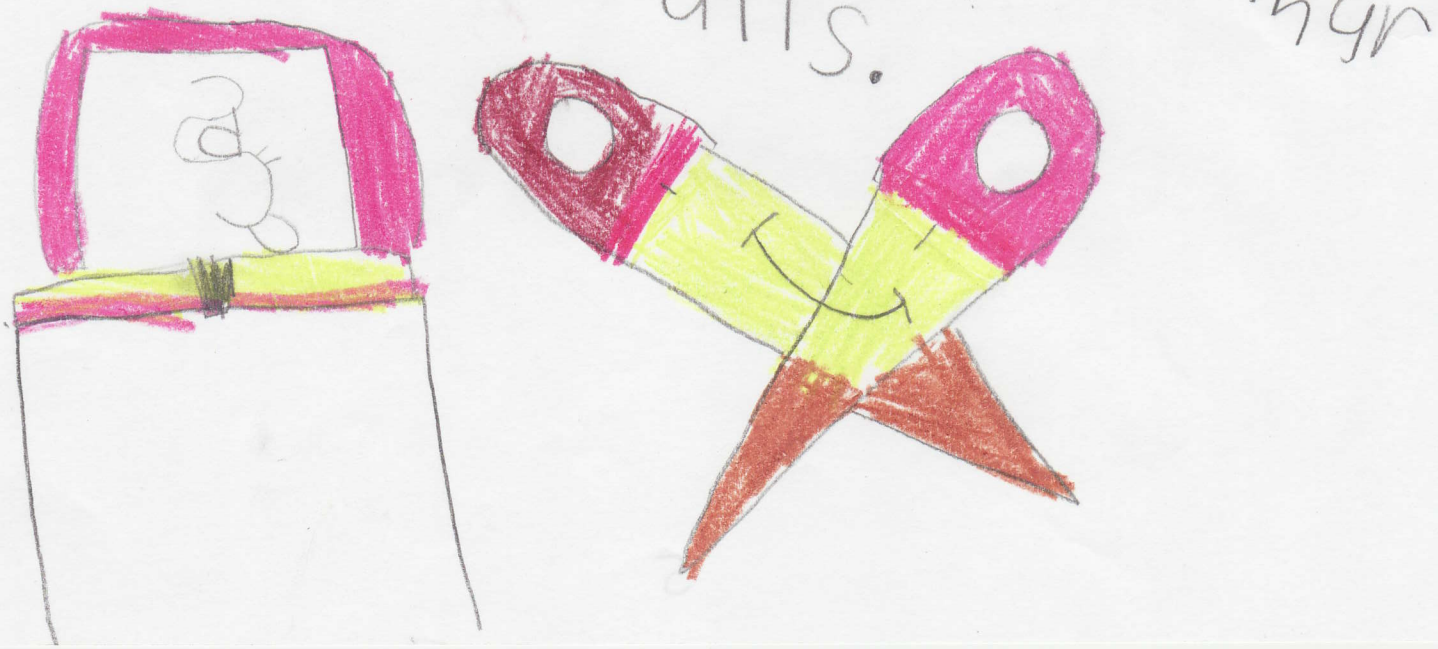
Once opon a time there were two friends named paper and Scissors.

Paper loved to eat.
Scissors always said
how do you stay so
thin? Paper said i'm a Piece
of Paper can't you
See? i'm always thin
and thats Just me.
Why do you watch tv?

Scissors Said I
like to watch TV and
that's just me.
Paper was allergic to
pollen and Scissors
was allergic to Something
that began with P.
He thought it was Peanuts
but he didn't know for
Sure.



The TV thought that Scissors was always Staring at him Because Scissors was going to cut him But Scissors Just liked to watch Arthur and wild kratts.



Scissors and paper didn't want people to know they were real. The TV came up with a plan. The TV would show Peanuts on TV and The kids would want them.

The plan worked and the parents gave in and got the kids Peanut butter cups. Scissors said ohno! But Scissors didn't Sneeze

Right, Said Scissors I'm allergic to Ponies not Peanuts! Nooooo! Said The TV and the TV couldn't get The Parents to Buy a pony.
