Length: 90 Minutes

Type: Documentary

Aired 7/1/07 at 9:00pm

This program is an illuminating account of events too often relegated to footnotes in U.S. history - the black urban rebellions of the 1960s. Focusing on the six-day Newark, New Jersey, outbreak in mid-July, "Revolution '67" reveals how the disturbance began as spontaneous revolts against poverty and police brutality and ended as fateful milestones in America's struggles over race and economic justice. Voices from across the spectrum - activist Tom Hayden, journalist Bob Herbert, Mayor Sharpe James and other officials, National Guardsmen and Newark citizens - recall lessons as hard-earned then as they have been easy to neglect since. Co-production with Independent Television Service (ITVS) and American Documentary | P.O.V. in association with WSKG. Producer/director: Marylou Tibaldo-Bongiorno.

Victory Is Your Duty: Dominating the field of Olympic boxing for the past quarter century, Cuba's gold medal-winning athletes have propelled their tiny nation onto the world stage and served as an unconventional tool of foreign and domestic policy. Now, for the first time ever, the legendary Havana Boxing Academy -- where physical training and revolutionary indoctrination go hand in hand -- has opened its doors to a foreign film crew. As Fidel Castro's faltering health throws the future into question, Victory is Your Duty reveals the Academy as a microcosm of Cuban society where grade-school boys are groomed to fight for the honor of the revolution.
