

# PBS Digital Innovators Summit Agenda

## Day 1: Saturday, June 25<sup>th</sup>

11:00am-12:00pm **PBS Stations Session**

12:00-1:00pm **PBS Digital Innovators Check-in and Lunch**

1:00 -2:30pm **Welcome, Ice Breaker and Program Overview**

### Facilitators:

- John Sessler, PBS Education
- Michael Hammerstrom, PBS Education

2:30-4:00pm **What Would Dewey Do?**

What did Dewey say yesterday that can be amplified by the technology of today and the future? What does this mean for authentic student-centered learning? This session will explore the thought process necessary to employ digital media and technology in a way that promotes Dewey's vision of learning by doing.

### Speaker:

- Michael Gorman, National Faculty for BIE (BUCK Institute)

4:00-4:15pm **Snack Break**

4:15-5:30pm **Tech Tools You Can Use Tomorrow**

Leslie Fisher will demonstrate the newest technology and provide a peek at what's to come. Learn how to successfully integrate a range of apps, tools, and gadgets and explore practical tips for overcoming barriers along the way.

### Speaker:

- Leslie Fisher, Technology Integration Guru

5:30-5:45pm **Day 1 Wrap Up & Announcements**

6:40pm **Meet in lobby to board bus for off-site event**

7:00-10:00pm **Dinner and dueling pianos at Howl at the Moon**

# PBS Digital Innovators Summit Agenda

## Day 2: Sunday, June 26<sup>th</sup>

**8:30-9:15am**      **Breakfast**

**9:15-9:30am**      **Day 2 Welcome: John Sessler, PBS Education**

**9:30-10:45am**      **The Future of Learning Panel**

In what ways will education continue to evolve in the digital age? What resources will teachers need to ensure students are learning and succeeding in the decades to come? This panel will unpack these questions and explore the impact technology will have on classrooms of the future.

**Speakers:**
