AMERICAN EXPERIENCE FILMS PBS

DIRECTED AND PRODUCED BY RORY KENNEDY

Thursday, April 9 @ 7PM

Filmed in front of a sell out audience at the legendary Red Rocks Amphitheatre in Denver, Colorado, USA on Friday, August 2, 2013, Brit Floyd captures the magic and majesty of Pink Floyd's legendary music set against the aweinspiring natural rocks and Colorado landscape.

Brit Floyd - The World's Greatest Pink Floyd Show, comes to the Wichita Orpheum Theatre Monday, June 8 with its Space & Time World Tour. Its their most ambitious show to date; with a spectacular new light show and an even

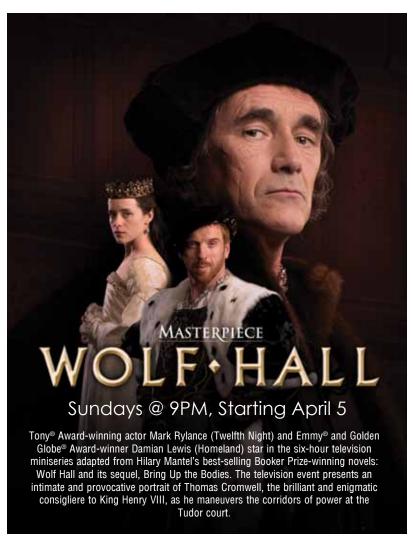

with a spectacular new light show and an even bigger stage production! Tune in early for ticket opportunities as these will go fast!

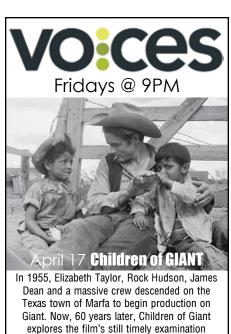

Variety and PBS SoCaL take you inside the biggest Hollywood films of the past year through candid conversations with today's hottest actors. Hosted by Variety's Feature's Editor Jenelle Riley, each episode brings together several actors engaging in intimate one-on-one discussions about their craft and work.

of racial prejudice. April 24 **Now En Espanol**

Explore the ups and downs of being a Latina actress in Hollywood through the lives of the five women who dub "Desperate Housewives" into Spanish for American audiences — and whose real lives are often as dramatic and desperate as those of their on screen counterparts.

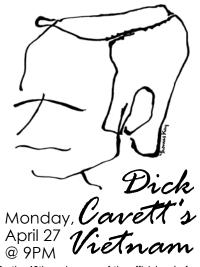

THE DRAFT

Monday, April 27 @ 8PM

The question of who serves in America's military has shaped battle strategy and foreign policy and stranded Americans in uniform for years on distant battlefields. From the Civil War to the conflicts of the Vietnam era, forced military service has torn the nation apart — and sometimes, as in WWII, united Americans in a common purpose. Hear how a single, controversial issue continues to define America.

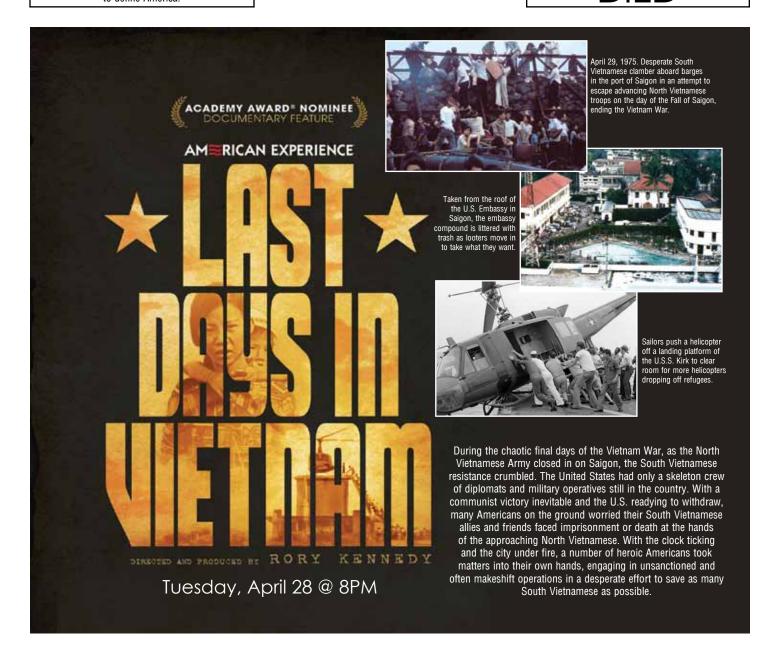

On the 40th anniversary of the official end of the Vietnam War, this show examines the war and its impact on America through the prism of interviews conducted by the iconic host of "The Dick Cavett Show," which featured thoughtful conversation and debate from all sides of the political spectrum.

Tuesday, April 28 @ 7PM

In May 1970, four students were shot dead at Kent State. The mayhem that followed has been called the most divisive moment in American history since the Civil War. From college campuses to the jungles of Cambodia, to the Nixon White House.
