RETURN TO DOWNTON ABBEY

Tuesday, August 12 @ 7PM

Savor a mix of fond memories from the past four seasons of *Downton Abbey* and get a taste of the upcoming fifth season. Academy Award-winning actress Susan Sarandon hosts the program, which includes behind-the-scenes footage, fondly remembered moments from the first four seasons, and interviews with Julian Fellowes and Gareth Neame, providing an overview and context for the series and what to expect next.

 Wednesday, August 13 @ 7PM

Tour De Force - Live In London chronicles Bonamassa's atmospheric rise from the intimate club environment of The Borderline, to the prestigious Royal Albert Hall. Each individual evening was marked by a unique theme with different setlists, arrangements and ensembles providing the viewer with four unique performances.

Ardy Sarrafas Paul McCartney, Gavin Pring as George Harrison, Erik Fidel as Ringo Starr, Tyson Kelly as John Lennon.

 Thursday, August 14 @ 7PM

If you want to experience the best Beatles tribute ever, you won't want to miss The Fab Four-The Ultimate Tribute.

The Fab Four is elevated far above every other Beatles Tribute due to their precise attention to detail. With uncanny, note-for-note live renditions of Beatles' classics such as "Can't Buy Me Love," "Yesterday," "A Day In The Life," "Twist And Shout," "Here Comes The Sun," and "Hey Jude," the Fab Four will make you think you are watching the real thing.

Featuring Former Stars of Frankie Valli & The Four Seasons

 Friday, August 15 @ 7PM

The 60's, 70's and 80's were a golden era for songwriting and during that period acts like Frankie Valli and The Four Seasons, Tommy James and The Shondells, and other big name chart-busting groups created beloved hits that have been heard for generations and are woven into America's consciousness.

Now, after decades behind the scenes, some of the greatest artists who were instrumental in the success of these fabulous songs have reunited to form **The Hit Men**.

Gerry Polci (Four Seasons and lead vocalist on "Oh What a Night"), Larry Gates (Bon Jovi, Carole King, Phoebe Snow), Russ Velazquez (The Ramones, LL Cool J, Chicago), Lee Shapiro (Four Seasons, Barry Manilow, Shondells), Jimmy Ryan (Carly Simon, Elton John, Jim Croce, Paul McCartney)

MASTERPIECE™ MYSTERY! Sundays @ 8PM

August 3 POIROT SEASON 12: DEAD MAN'S FOLLY

A wealthy financier and his wife stage a grand party at their new summer home. Poirot (David Suchet) is a reluctant guest, urged to attend by his old friend Ariadne Oliver (Zoë Wanamaker), who suspects the "murder hunt" game she is preparing may turn out to be a real murder.

Jack Davenport (Pirates of the Caribbean, "Smash") stars as a brilliant London surgeon in 1961, when doctors were treated like gods and acted the part.

August 24 & 31

Otto, a surgeon married to Elizabeth, has eyes for new nurse Angela. Angela's sister, Jean, is engaged to Otto's colleague Richard. Inspector Mulligan snoops around. Jean and Richard's marriage gets off to a rocky start. Otto makes a breakthrough with Angela. Mulligan gives Elizabeth a menacing message.

Tuesday, August 19 The Search for Josiah Henson... The Man Behind the Story of Uncle Tom's Cabin

@ 7PM

Tucked between upscale homes in suburban Maryland just outside Washington, DC, are the remains of an 1830's plantation — once home to Josiah Henson, the slave who inspired Harriet Beecher Stowe's famous novel Uncle Tom's Cabin. What remains here of his life and legacy?

The Bones of Badger Hole

@ 8PM

In western Oklahoma, the bones of massive 10,000-year-old bison mingle with the remnants of early man-made weapons. What strategies did hunters use against these mammoth beasts before the advent of bows and arrows? What can these bison bones teach us about our ancient past?

Tuesday, August 26 Lost Civil War Prison

@ 7PM

Camp Lawton, near Milan, Georgia, housed 10,000 Union prisoners at the end of the Civil War. The remains of the camp have long been lost to history. Can TIME TEAM AMERICA find the original site of the camp? What artifacts are buried beneath the ground and what do they tell us of the hellish experiences of the prisoners once held captive here?

The Lost Pueblo Village

@ 8PM

The site of what is believed to have been a 1,200-year-old village is located near Mesa Verde, Colorado, where ancient peoples built one of the first permanent settlements in North America. What did this settlement look like and how did life here shape human history?

American® MASTERS
