$1,500 Sponsorship Opportunity

- Supporter recognition tied to one 88.3 FM Salute to the Bluegrass State vignette, to be aired once each week for 26 weeks.

Example of a Vignette:
In 2017, Kentucky commemorates 225 years of statehood, moving from frontier to gleaming skylines. Throughout the year, WNIN and [YOUR COMPANY] invite listeners from both sides of the river to give a Salute to the Bluegrass State, as we explore Kentucky’s past, discover its heritage, and ignite the future. Learn more about our Salute to the Bluegrass state on WNIN.org.

- (:15) spot each week during 88.3 FM Drive Time Rotation for 26 weeks
- Supporter recognition on the WNIN.org Salute to the Bluegrass State page

As a sponsor, you enable WNIN to increase community exposure for local Kentucky businesses and organizations. Your support helps us bridge the gap between our states and bring our communities together.
