KNPB Receives $100,000 Grant from Newman’s Own Foundation

KNPB has been awarded a $100,000 grant from Newman’s Own Foundation, the independent foundation created by the late actor and philanthropist, Paul Newman. The award to KNPB was made by Newman’s Own Foundation as part of its commitment to the encouragement of philanthropy.

**NEWMAN’S OWN FOUNDATION**

KNPB will use this challenge grant funding to increase the general operations of the station through our Thursday night membership programming, to continue our legacy of telling local stories through our quality production of *arteffects*, and to support early childhood education by continuing to provide Ready To Learn workshops for 3-5 year olds at Head Start programs in area schools and community centers.

Please take advantage of this opportunity to double your gift to KNPB around any or all of these key initiatives right now by calling 784-1900 or give online at knpb.org/newmansown.

Thank you!

February 2017
Curiosity drives us to innovate, create and explore. It brought us the light bulb and the desire to take to the skies. And curiosity is what’s fostered here at The Discovery every day. So, whether your passion lies in Nevada’s rich history, world-changing inventions, the inner workings of the human body, or somewhere in between, a museum full of amazing possibilities awaits you.
