

To find the hidden beginning,  
Some searching you must do.  
Sixteen through twenty, the titles,  
Will help you solve this clue.

The PRINT list of books quite lengthy,  
Best Sellers from the Big Apple's view,  
Those found under NON-FICTION,  
Only April 10<sup>th</sup> will do.

Find them in the crossword,  
And diligently mark a line,  
Through each of those five titles,  
And read what's left behind.
