

# Teddy Goes to the Park

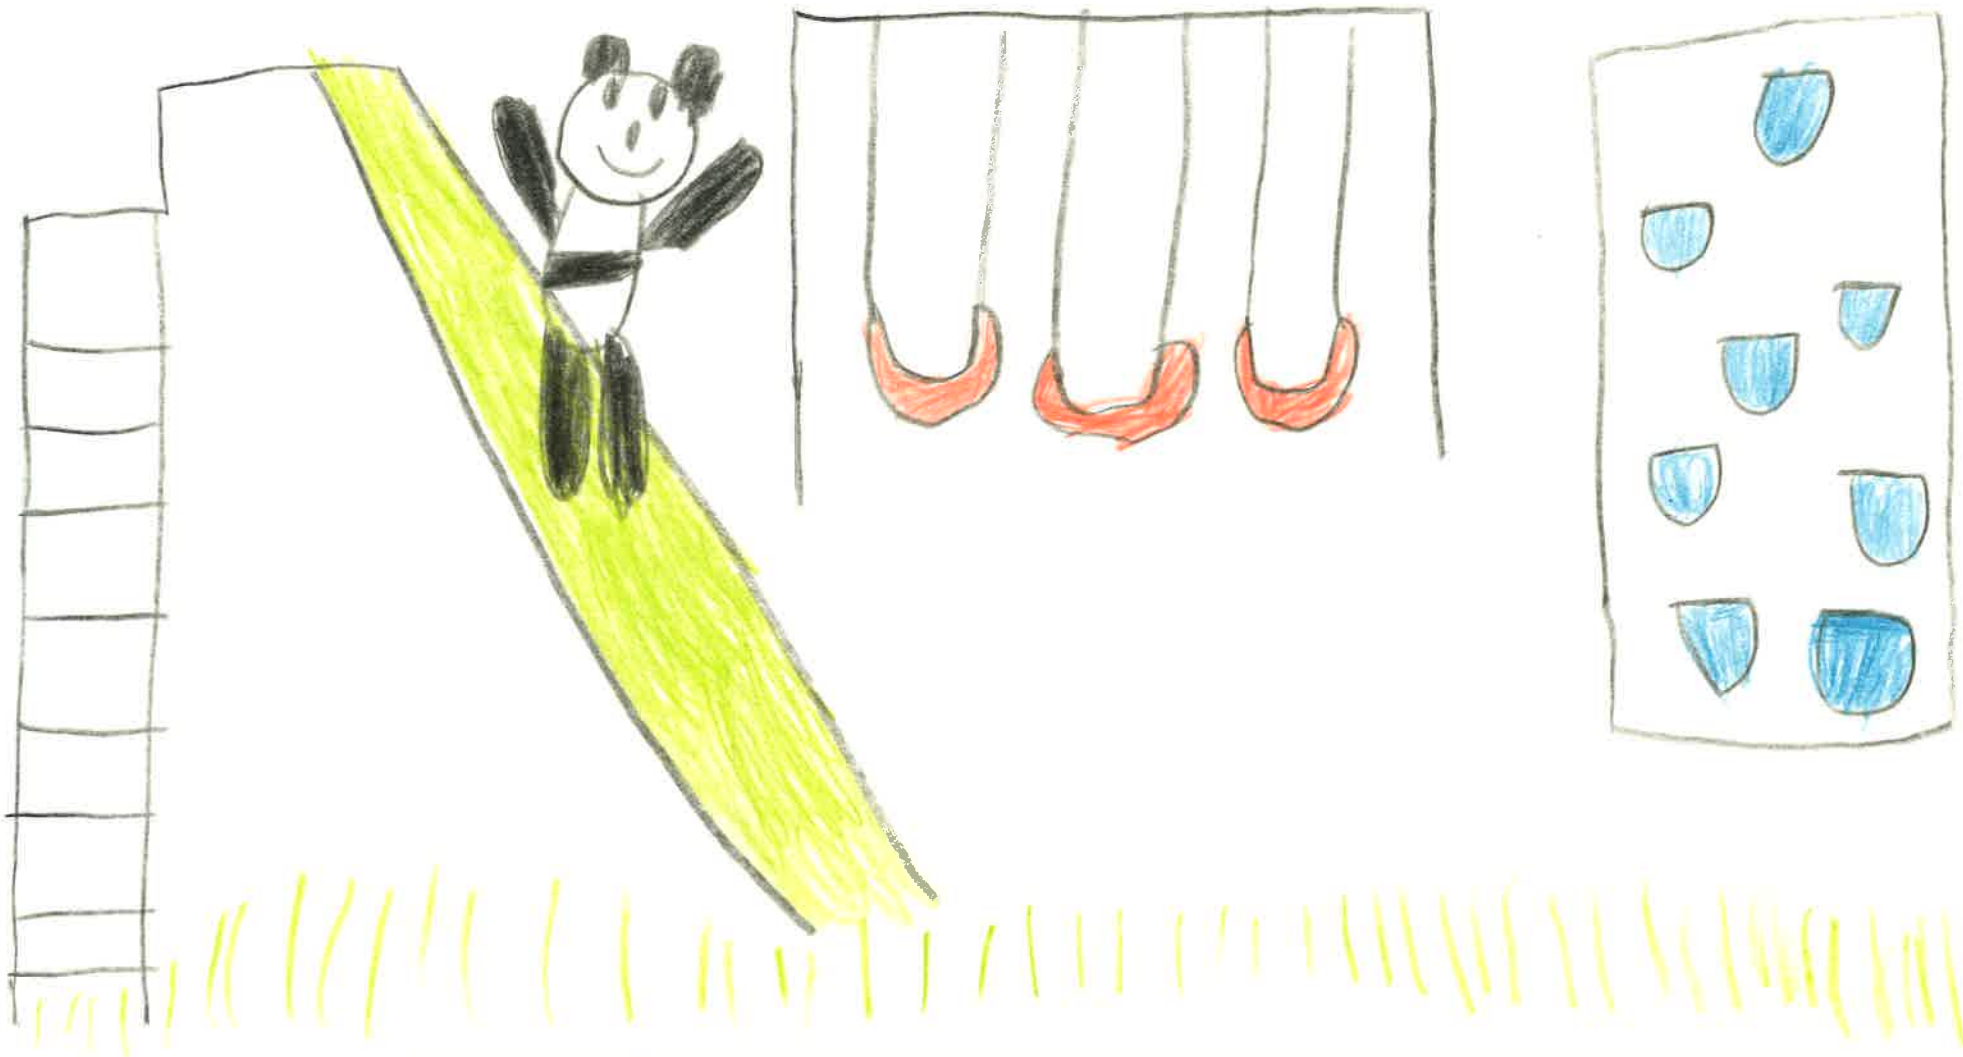

By Jasper Shelton

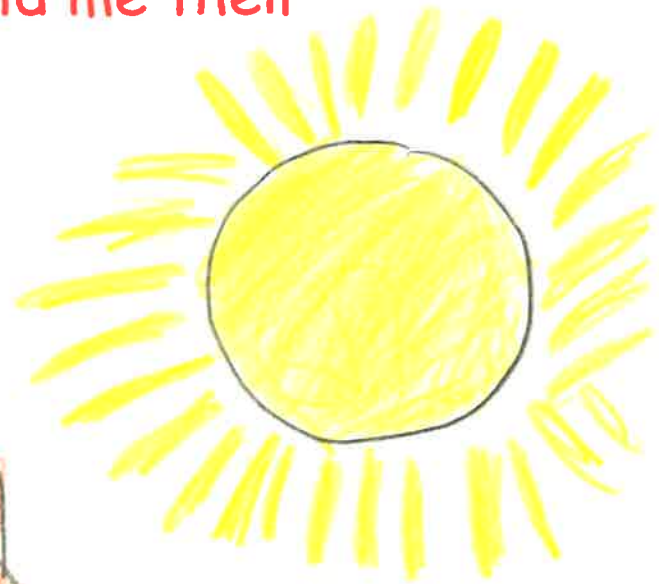

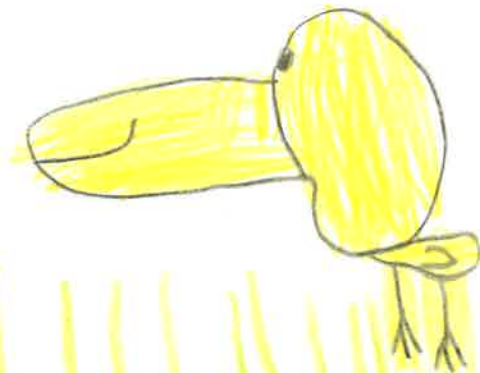

Today, it was a very hot and sunny day. I decided to go to the park. When I started walking, I saw some bamboo. I ate some, and it was scrumptious. Pandas love bamboo! Then, I kept on walking.

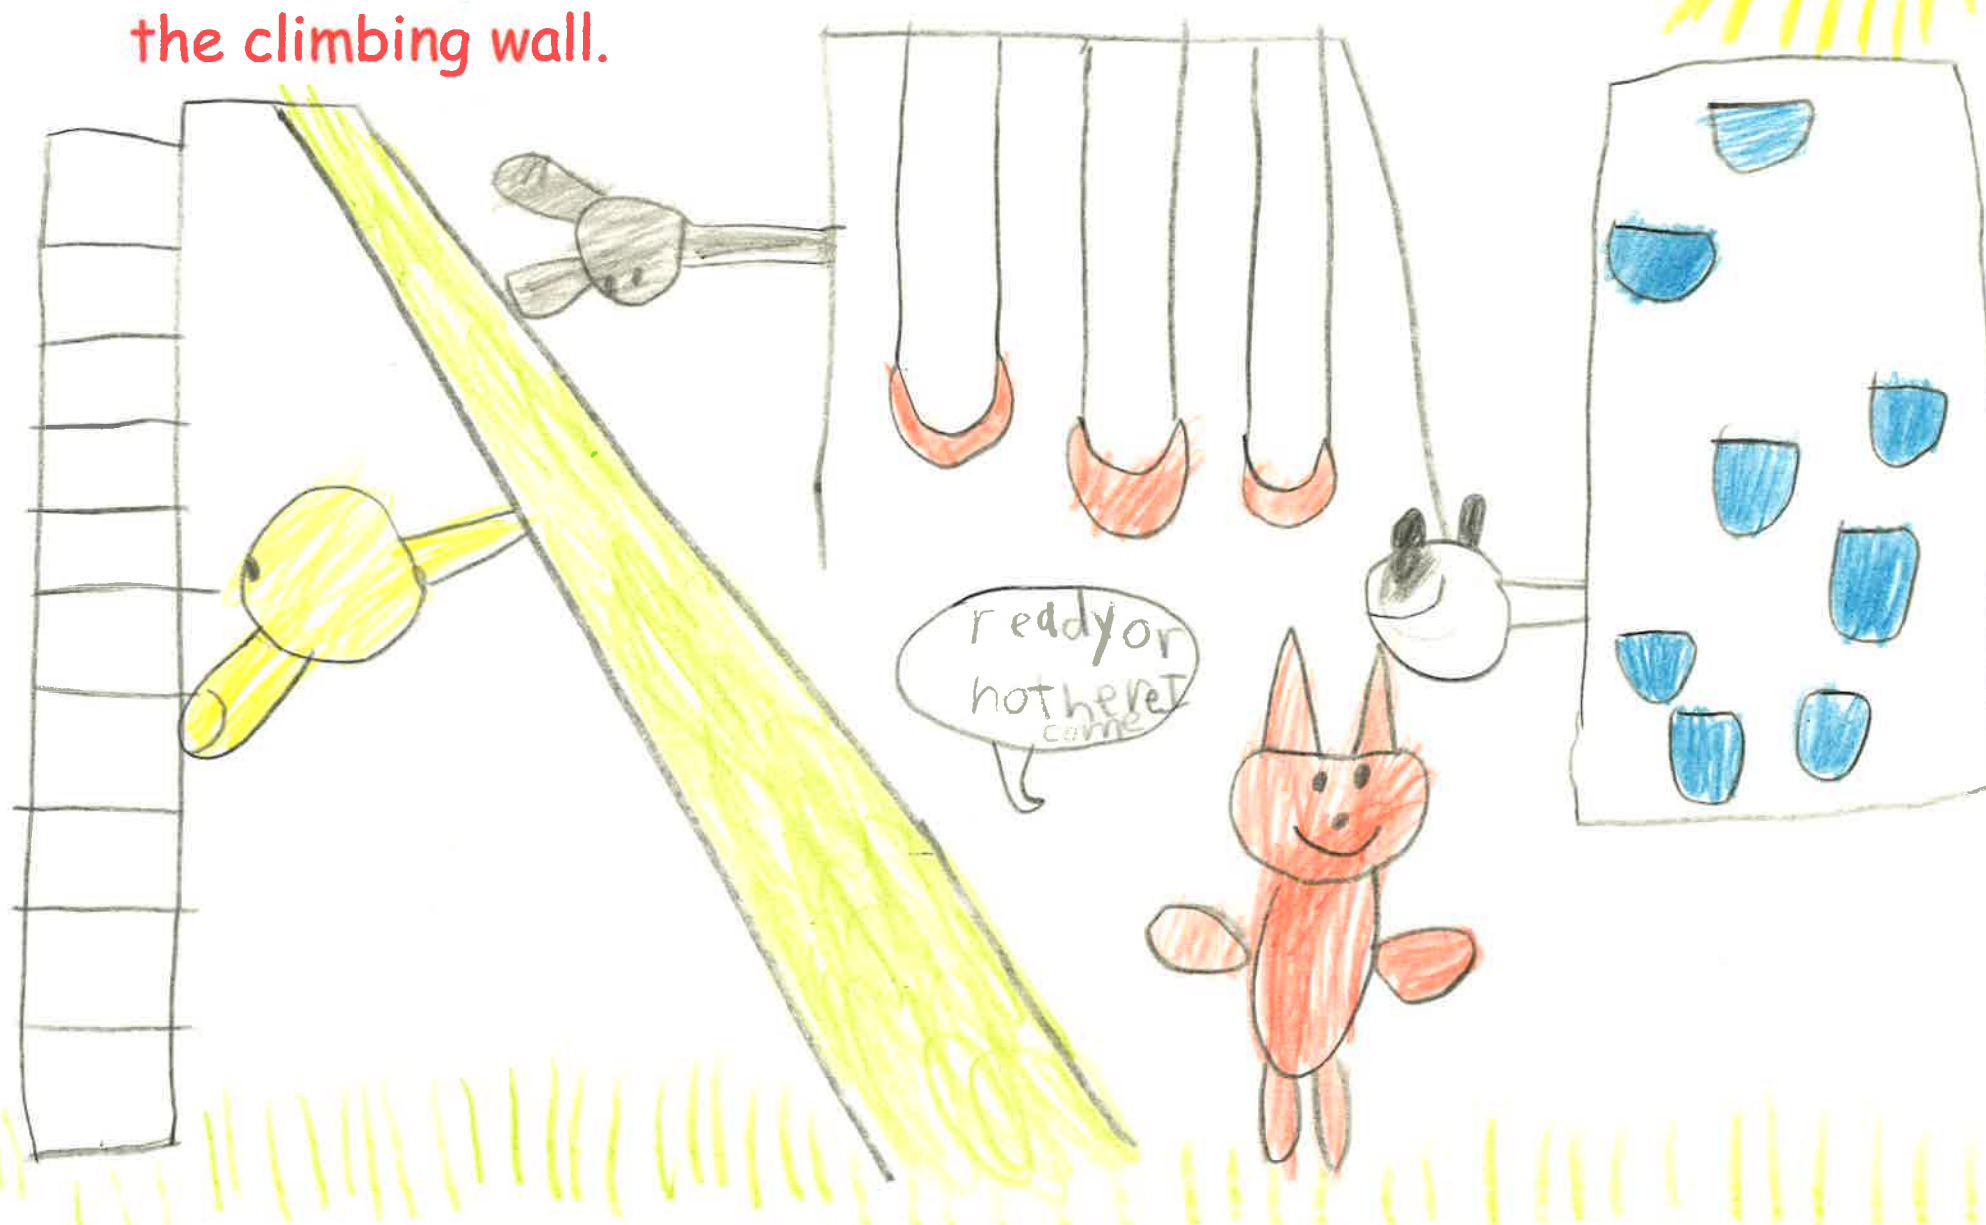

When I got to the park, I saw a slide, swing, and a climbing wall. First, I went on the slide. Next, I went on the climbing wall. Last, I went on the swing. I was having fun, but I wished there was someone to play with.

Finally, other animals came to the park. They were a duck, rabbit, and fox. I asked if they wanted to be friends, and they said yes. We introduced ourselves. I told them my name was Teddy, and they told me their names were Ducky, Hoppy, and Foxy.

We had a great time together! We pushed each other on the swings, played tag and hide-and-seek, and climbed the climbing wall.

We were thirsty and hungry after all that playing, so we finished the afternoon with a delicious picnic on the grass. It was a beautiful day in the park with my new friends!
