

One day, Otter's mother told Otter to go and play with some friends. "But I don't have any friends," said Otter. Then mother said, "Just go play by yourself." Otter said, "Fine." He practiced swimming.

One day, Dragon's mother told Dragon to go and play with some friends. "But I don't have any friends." Dragon said. Mother said, "Then go and play by yourself." Dragon said, "Fine." So he practiced flying.

They each got bored and went on the hills.
They slid on a rock at the edge of the
water. They both said at the same time
"Can you be my friend?" The Otter thought the
Dragon would breathe him on fire and say No
but to the Otter's surprise, the Dragon said, "Of course."
And then they played.

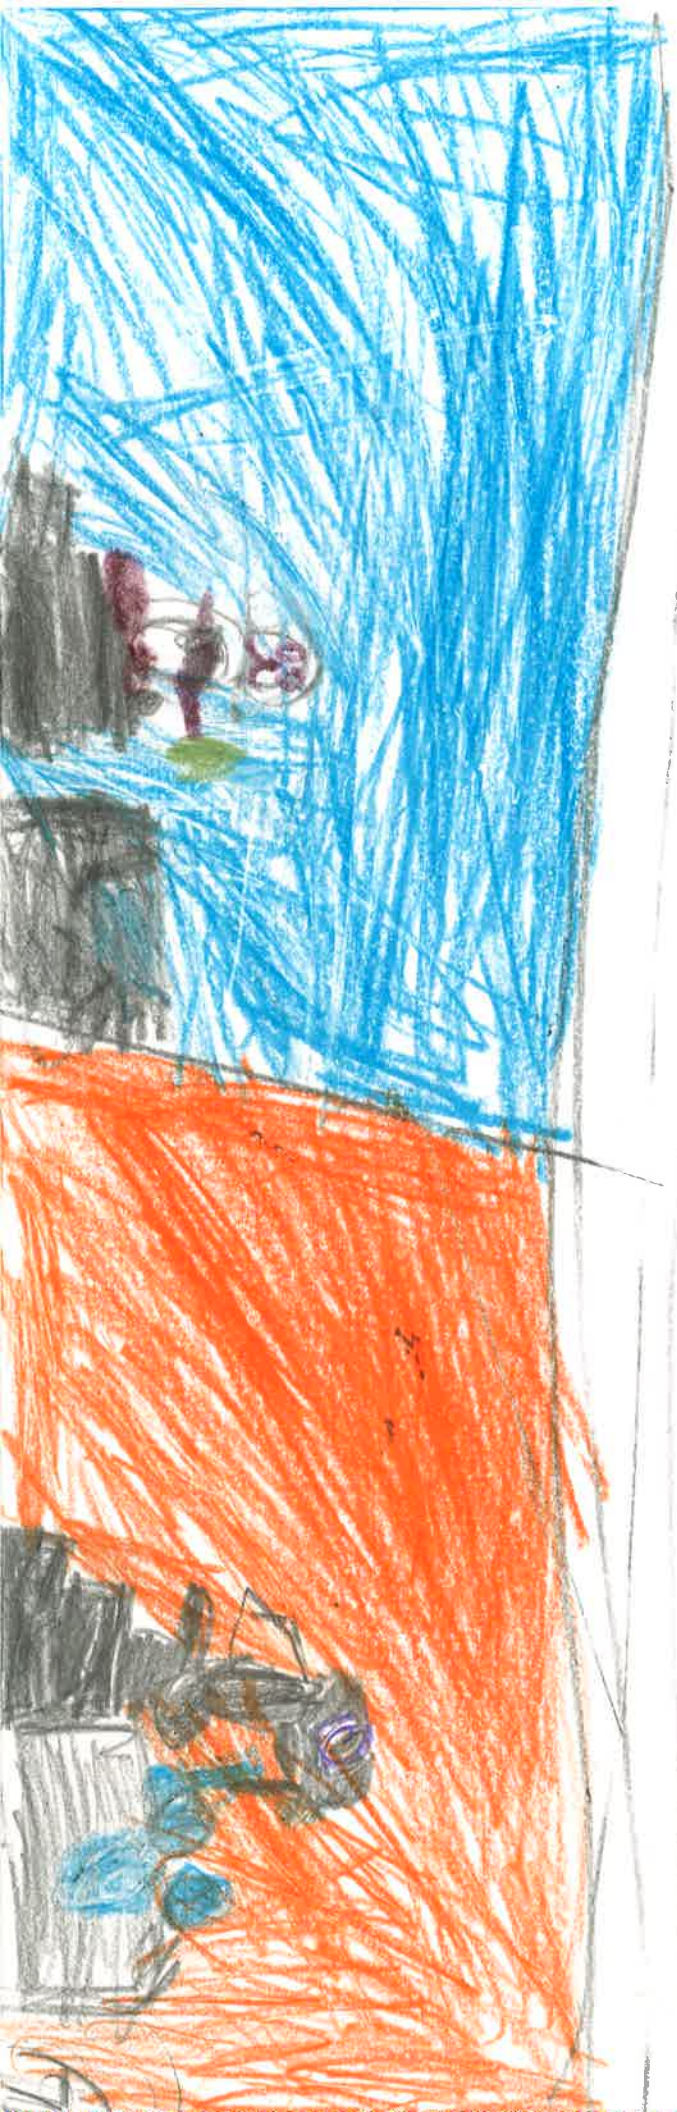

They had a lot of things in common. They
both liked sports. They also liked sliding down
hills. They played until it was supper.

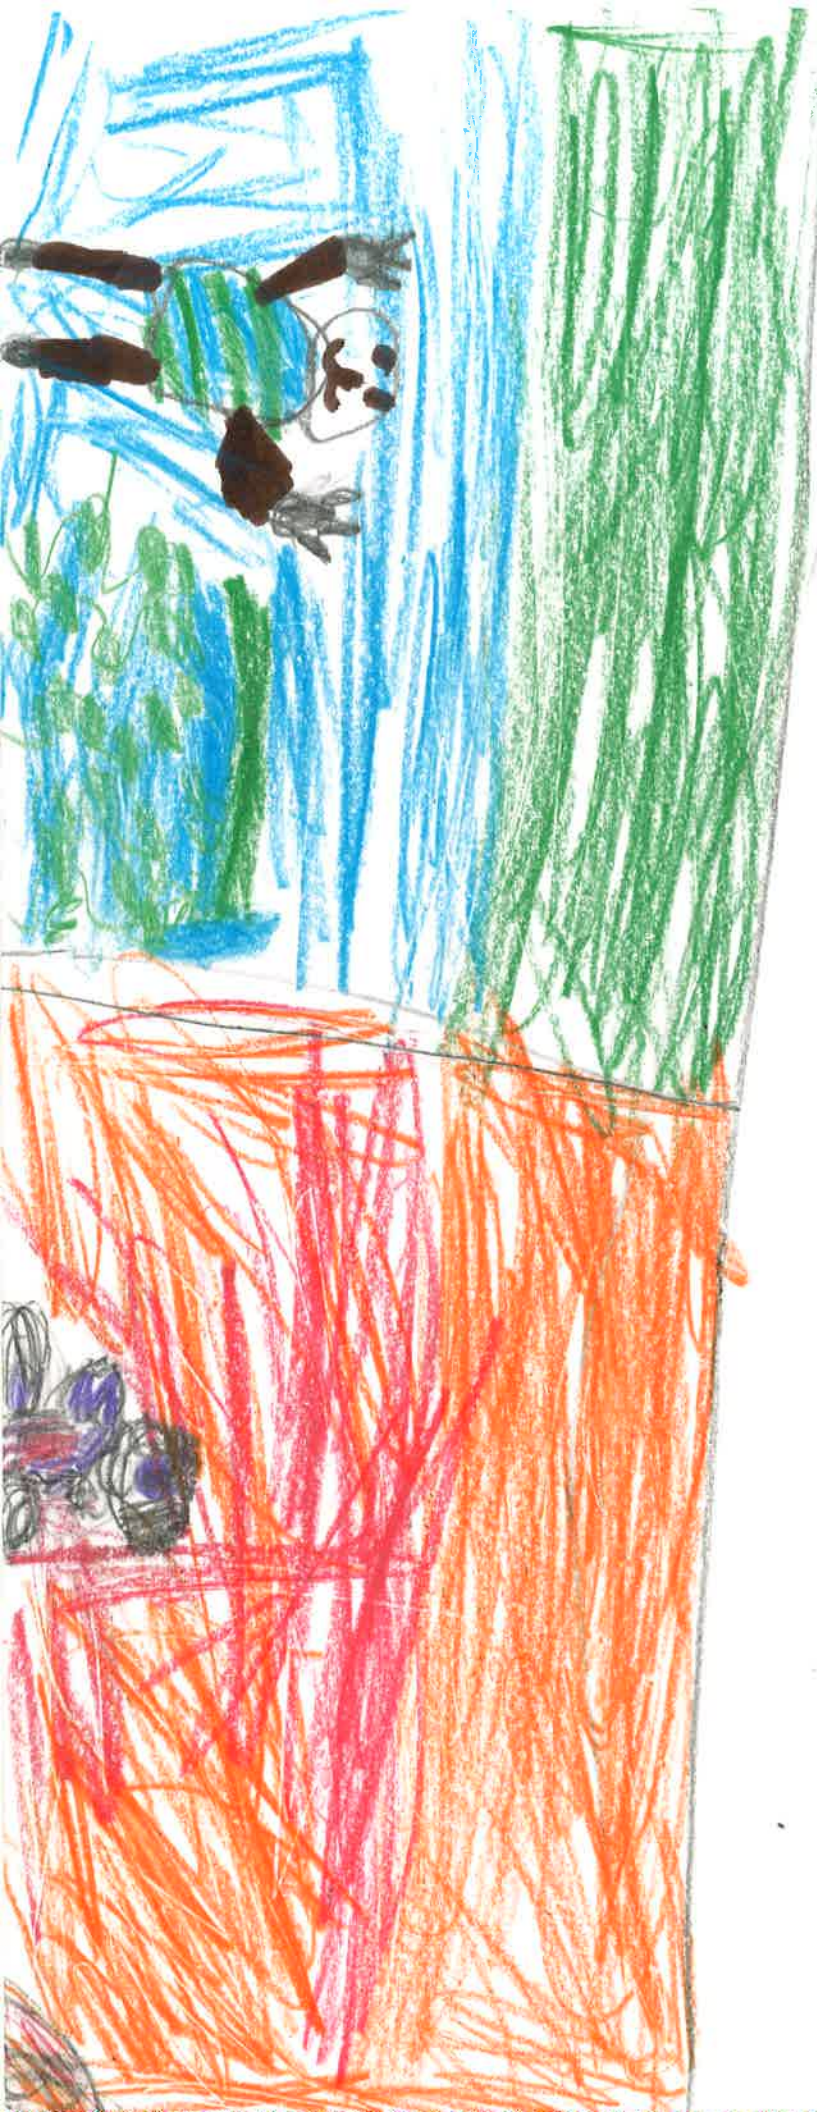

Their moms called them in for supper.
They ate and ate.

Then they brushed their teeth.

They slipped their pajamas on and set
their beds.

They went to bed. They dreamed of the happy things that are going to happen tomorrow.
