

# A roller coaster ride

By: Iris ♡★:

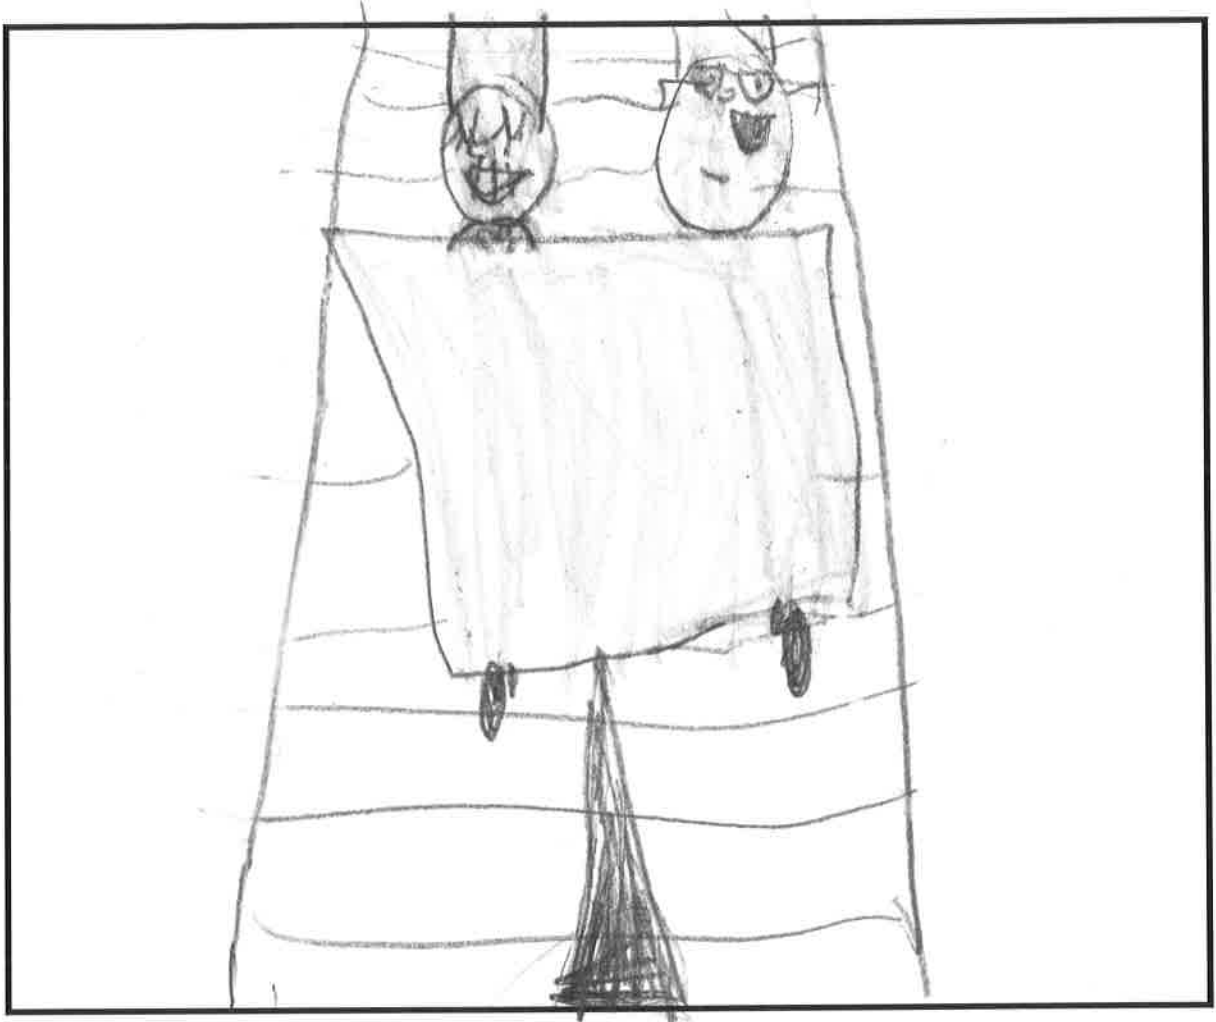

"Are we there yet?" I asked. I was excited to go to Dorney park. Finally, I saw the parking lot. Ada and

I jumped out of the car. I went on rides. Some were spinnny. Some were swingy. Some were even saiggly! Then, I saw a roller coaster. "Do you want to go on that?" I asked Dad. "No way!" I said. "Come on. You can do it!" he said. So I slowly walked to the roller coaster. I

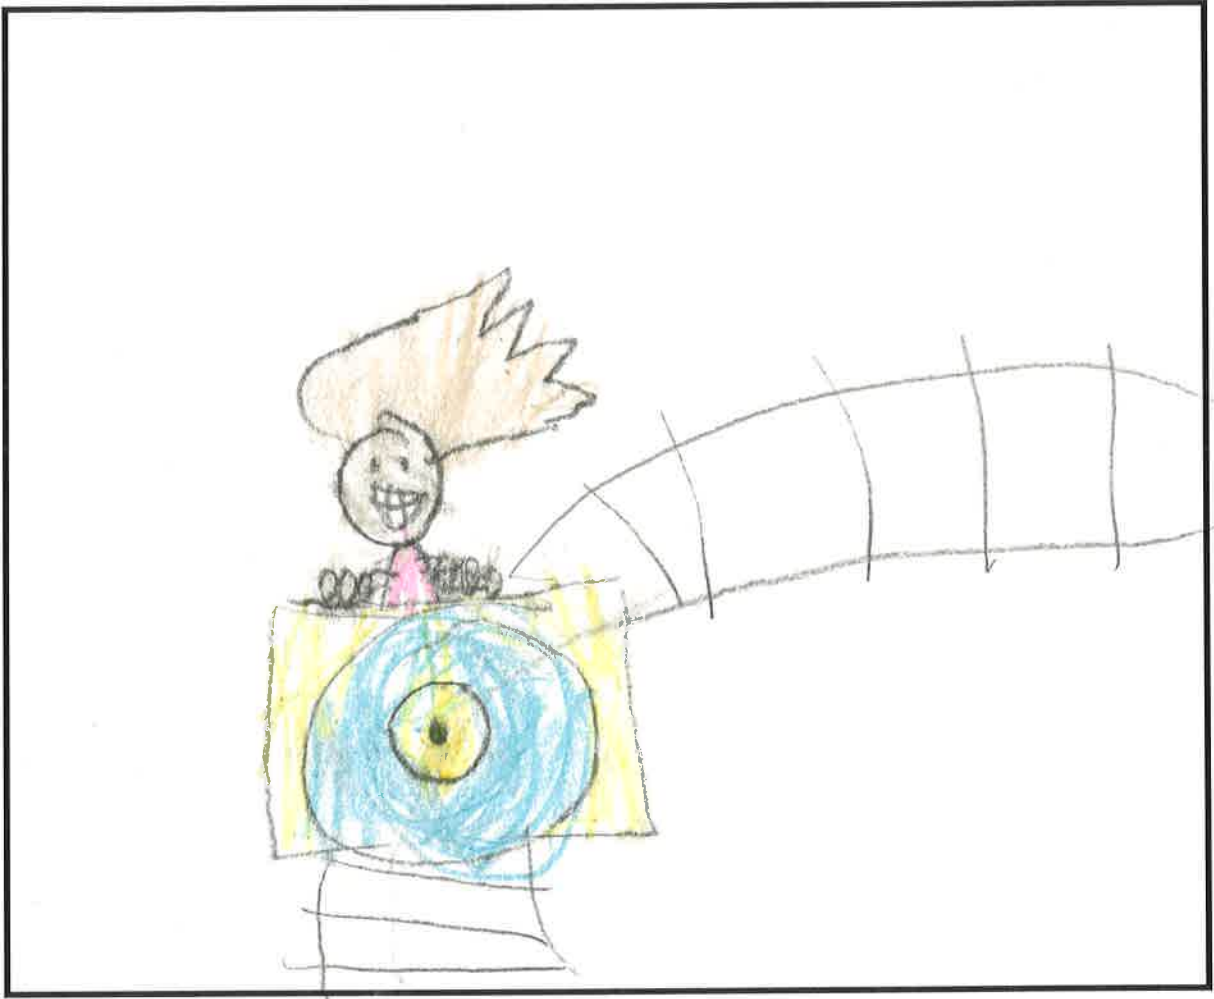

stepped on. We were  
in the last car. We went  
up, up, up. Then Woosh!  
we rushed down. The  
ride went up. Chh, Chh.

Chh, woosh! One  
more time it went  
up. Woosh! Three  
laps of fun! After  
we met Snoopy.

But then, Ada got  
stung by a bug. I  
was sad because  
we had to go home.  
I asked "Can we

please go on one  
more ride! Dad said  
we can go on the  
rockets. I got in  
the back Weeeeee!

Then, we went to  
the car. When we  
got home we ate  
ice cream. Yum! I  
will always  
remember my first  
roller coaster ride  
at Dorney Park.
