

The Adventures of
Pizza and Oatmeal

Once, there were two chickens named Pizza and Oatmeal. They were the best of friends. One day they decided to go on an adventure. So, they walked up to the top of the hill to think. Where would they go on an adventure? Then they knew where to go.

Oatmeal said to Pizza, "Let's go to the park. That will give us a fun adventure." So, they walked to the park and found their friend Scruffy. She said, "Hello. What are you guys doing here?" Pizza told Scruffy that they were looking for an adventure. Scruffy said "why don't you go to the forest? There will be an adventure waiting there for you."

They went to the forest and found a fox. The fox was hungry. The fox said, "do you want to eat dinner with me?" The fox was planning to eat them. Pizza and Oatmeal knew what the fox was planning. "Yes", they said.

The fox made food for the chickens and told them to eat it all gone. After they ate, the fox picked them up and started pulling them in towards his mouth. Oatmeal winked at Pizza then said, "You aren't going to eat us like this, are you?" Pizza said, "Yeah, we taste better cooked than raw. Why don't you start a fire to cook us?" So, the fox went to gather up the wood. Oatmeal whispered to Pizza "Now is our chance to escape. Be very quiet and quick."

Then they ran out of the forest as fast as they could. "Well, we found the adventure we wanted!" Pizza said. "Yeah, that was fun. I hope we get to do something like that again without getting eaten." Then they both walked home and started to plan the next adventure.
