Once upon a time
there lived a girl
named Rusky who
likes to talk with
stars before she
goes to bed.

On a cloudy night
Rusky could not
find the stars on
the sky. She waited
and waited before
she slept.

Suddenly she heard
someone saying
"Rusky, do you want to
join the trip with us?"
Without delay she
nodded her head.

The stars took her
to the milky way.
Rusky was so excited
to see the whole
star family. Stars
took her to the moon
where they enjoy
their breakfast.

On the moon they also played soccer and Rusky's team won. Rusky also got a trophy. After the celebration Rusky was so tired and fell sleep.

Suddenly she heard
someone knocking
with a voice, "Rusky
it's getting late for
school." She realized it's
a dream. She still
see a star winking.
