

POETRY OUT LOUD recording guidelines

1. Digitally record your school winner reciting two memorized poems.
2. Be sure to have good lighting and sound in your recording.
3. Have the student say his or her name at the beginning of the recording. DO NOT GIVE THE NAME OF THE SCHOOL. Give the title of the poem and the author and then recite the memorized poem. Wait a few beats before giving the title and author of the second poem and reciting it.
4. You have two options for submitting your student's video.
 - a. **Preferred method:** Upload your video to any user's Youtube channel. Once uploaded, categorize the video as "unlisted" and allow the "embed" function. Then copy and paste the link in the space provided on the entry form below. Submit completed entry form with video links by midnight, Feb. 10.
 - Email: steven.rokusek@state.sd.us
 - b. Load video as a Media File (*not a finalized DVD*) onto portable device; Postmark by Feb. 8 and send to:
