# Make Your Own Badge

## Color and Cut!

All official Odd Squad Agents have their own badge. Create yours by completing these steps:

1. Use the [Find Your Badge Number](#) activity sheet to decode your name and calculate your official agent number.
2. Add your number between the stars on the badge above.
3. Color your own personal Odd Squad Badge.
4. Glue this page to thick paper or cardboard. Cut out your badge.
5. Now you are ready to flash your badge!
