Meet Miss Fisher

She's terribly fashionable, unmistakably glamorous and handy with a pistol.

The Honorable Miss Phryne Fisher is a thoroughly modern woman of the late 1920s operating in a mostly male world. The glamorous "lady detective" goes about her work with a pistol close at hand—and, more often than not, a male admirer even closer.

Miss Fisher's Murder Mysteries is based on the popular detective novels by Kerry Greenwood.

**Premieres Thursday,
May 16 at 9pm.**
