

# COLORADO WATERSHEDS

Water is the life blood of Colorado, and we all have different thoughts on how to use, share and preserve this precious resource.

ROCKY MOUNTAIN  PBS

**WATER  
WEEK**

MORE INFORMATION AT:  
[rmpbs.org/events/waterweek](http://rmpbs.org/events/waterweek)

## Additional Resources:

### A River's Reckoning:

A film by Trout Unlimited and American Rivers, which was the official selection of the 2018 Wild and Scenic Film Festival:  
<https://www.youtube.com/watch?v=453hVTzHZm4>

### For the Love of Colorado:

Guided and endorsed by the Business for Water Stewardship, a public education campaign assisting Coloradans to understand the Colorado Water Plan & providing information and inspiration to support dialogue and action.  
<https://www.fortheloveofcolorado.org>

### Audubon's Western Water Initiative:

Learn how birds depend on water in the American West, and how you can get involved with Audubon to protect habitats, at <https://www.audubon.org/conservation/western-water-initiative>

### Colorado Association of Conservation Districts:

76 Conservation Districts provide leadership for the conservation of natural resources to ensure health, safety, and general welfare of the citizens of the state. Find information on your district at <http://www.coloradoacd.org/conservation-districts.html>

### Forests to Faucets, a Watershed Management Story:

A partnership between Denver Water and the Rocky Mountain Region of the U.S. Forest Service to accomplish proactive forest management in order to protect source water, available at <https://www.arcgis.com/apps/Cascade/index.html?appid=5fadefb8803d44a3b3ef128528e38eac>

### High Country News:

Long form reporting on water issues in the American West, available at <https://www.hcn.org/rss/water>

### Drought in the Colorado River Basin:

The Department of Interior (DOI)'s digital resource map: <https://www.doi.gov/water/owdi.cr.drought/en/>

### "The Water Desk", University of Colorado Boulder's Center for Environmental Journalism:

An independent news organization dedicated to increasing the volume, depth and power of journalism connected to Western water issues, available at <https://www.colorado.edu/cej/waterdesk>
