4.1 Local Community Outreach Jump to question: [4.1](#) ▼

In what local community outreach or educational activities has your station been involved this year that supports unserved or underserved audiences? Please describe in detail: outcomes, audience served, community response.

Our coverage area is a sparsely populated and rural territory of the western half of Kansas. Smoky Hills Public Television is the only television station in our rural coverage area that produces and airs full-length local programming. Thus, all of our coverage area basically consists of an underserved or an unserved audience. As an educational outreach activity, we coordinated a "Share a Story" activities during the summer. At the "Share a Story" events held at local libraries, we read to groups of children, along with watching a video clip and making a craft, which all incorporates how children learn, read, do and view. This educational activity involved 1,559 children along with 370 parents in our coverage area. Smoky Hills Public Television also partnered with Head Start in the "First Book Club Program" in distributing over 7,800 books and impacting children and their families throughout our coverage area. The long-term results are far reaching and they cannot be measured. We continue to be an important resource in promoting early education and reading in these communities, with little or no cost to the families living there.

4.2 Production Activity Jump to question: [4.2](#) ▼

In what production activity has you station been involved that supports unserved or underserved audiences?

Smoky Hills Public Television strives to provide local programming that serves the unserved and/or underserved in nearly every production that we produce. Our coverage area includes no major urban community and as a result of being a station operating in rural Kansas, it allows us to bring programs to homes and communities that other stations would not normally provide. Through our Kansas Legislative coverage along with "Doctors on Call", "Traveling Kansas" and "Scoreboard Show" we bring western Kansas events and local issues right into our viewer's homes. Smoky Hills Public Television continues to bring the Class 3-2-1A State Wrestling live competition to our viewers. In 2008 and 2013, SHPTV received an award from the Kansas Wrestling Coaches Association for Media of the Year. We also carry championship games in football and basketball of the high school and small 4-year colleges. With healthcare, many in the rural communities in our coverage area do not have local physicians or a hospital to provide healthcare services to people in need. Our locally produced "Doctors on Call" features a specific medical topic with physicians in our coverage area as hosts who discuss the weekly health topic and answer the questions of viewers who call in. Although this does not directly address the problem of inadequate healthcare services, it does help people make the decision as to whether to travel to the nearest health facility if needed. The program promotes awareness of various medical conditions so individuals may consult their personal physician if they are suffering from specific symptoms. This year we marked the tenth season and we had more calls from viewers in a single season than we ever had. In programs such as "The Kansas Legislature" and "Conversation with..." we bring Kansas Senators and Representatives and US Senators and Representatives into the homes of our viewers. Within these shows we feature a live call in portion where it allows the viewers to speak and ask questions of the men and woman who represent them in their state and national government. These programs allow those underserved not have to drive hundreds of miles to possibly get a chance to even talk with their government officials. Smoky Hills Public Television is one of the very few television stations in our rural coverage area that produces local programming. However, we are the only television station in our coverage area that produces programming of this magnitude without incorporating urban viewpoints that are sometimes not relevant to rural Kansas.

4.4 Governance Structure

Jump to question: [4.4](#) ▼

Please describe your station's governance structure. Please include information about your station's Board of Directors, Advisory Boards or Panels, Community Boards or Panels, and the Committee Structure under each of these entities.

Your response should include but is not limited to:

What are the direct and indirect reporting relationships?

What committees are active and what is their function?

Does your Board have an Audit and Finance Committee?

What are the roles and responsibilities of these Boards, Panels and/or Committees? Etc.

Smoky Hills Public Television (SHPTV) KOOD-TV 1771 currently has 16 Board members. The current active Board committees are the Executive Committee, the Finance and Audit Committee, and the Governance Committee. The Chair of the Board is a member of each board committee and the CEO is an ex-officio member of each committee. The Executive Committee is comprised of the officers of the Board, including the Chairperson, Vice Chair, Treasurer, Secretary and the immediate Past Chair. The officers are nominated and elected by the Board members. The Board chair assigns the various board members to the Board committees. With the exception of the Executive committee, at least one Smoky Hills staff member is also assigned to each of the committees. Each committee tries to meet on a regular basis and gives a report at the next board meeting. The Chair of the Finance Committee has financial or accounting experience and is the Treasurer of the Executive Committee. The station Director of Finance and Administration also is a member of this committee. The Finance Committee monitors station financial position, recommends appointment of a qualified audit firm, reviews the annual audited statements, and recommends operational changes if needed. The Governance Committee recommends changes or additions to the by-laws and operating policies and nominates potential new board members. SHPTV also has a Community Advisory Board. The Advisory Committee members do not have voting powers, but may ask that their comments or recommendations be brought up before the Board of Directors. The Chair and CEO develops the Agenda for the Board meeting that meets every other month in various locations within our coverage area. Some of the usual items on the agenda are a report by the Director of Finance and Administration on the current financial statements and a report by the CEO on current development activities and results. The CEO also gives a report to the Board on station's activities. Various key staff may attend the meetings to report on a special activity. Each Committee Chair is asked to give a report on their activity since the last meeting. The Board of Directors also recommends possible new candidates to be on the board to the Governance committee. Letters are sent to these individuals as well as a phone call to interview them and request a resume if the candidate is interested in serving on the Board. The Governance committee recommends the slate of nominees for the Board members to review and vote on. SHPTV coverage area covers 52 counties. The demographic makeup of the Board is representative of the northwest southwest central and northeast regions of the station's coverage area. There are currently only 16 members on the Board but it is constantly soliciting new members. It is often difficult finding possible Board members because it can involve a 2-3 hour drive to attend the meetings. The Board term limit is 3 years and two successive terms, but members if they so desire, can be voted by the Board members to serve additional terms. Selection criteria that helps the Board choose a new member sometimes depends on its present gender and demographic makeup. Other criteria are leadership abilities, type of profession and residency. The Board has been trying to get a member to represent the growing Hispanic community but so far recommended nominees have chosen not to serve due to time considerations.

4.5 Community Outreach

Jump to question: [4.5](#) ▼

CPB is interested in learning more about stations' significant activities planned for the upcoming year - both broadcast and beyond broadcast. What types of on-air programs and off-air activities are you planning in the upcoming year that will connect your station more closely with your community? What goals are you setting in conjunction with these initiatives, and how will you measure your success?

We continue to look for ways to expand our productions to provide more coverage from our broadcasting area, while making all of these programs be available on our air and on other Kansas PBS stations. We continue to look to increase our web visibility with more user friendly online viewing. Smoky Hills Public Television intends to increase the awareness of our station within our coverage area by: 1) Becoming more involved and hosting more community events in our area; 2) Becoming more of an advocate for "rural life" and curbing the population decline in rural areas; 3) Increasing the number of Share a Story presentations. Smoky Hills Public Television will measure our success to these items by analyzing attendance, number of members and the amount community feedback that is received.
