LYRICS	LITERAL MEANING	“CODED” - SECRET MEANING
<b><i>Refrain:</i></b>		
Swing low,		
Sweet chariot,		
Comin' for to carry me home..		
<b><i>Verses:</i></b>		
I looked over Jordan, and what did I see?		
A band of angels coming after me		
If you get there before I do, tell all my friends I'm coming too		
I'm sometimes up, I'm sometimes down		
But still my soul feels heavenly bound
