

Part-Time Technician

Who We Are:

WTVS Detroit Public Television (DPTV) is the viewer-supported PBS member station serving the nation's 11th largest television market. We operate Channels 56.1, 56.2 and 56.3, and are carried on cable and satellite systems throughout Southeast Michigan and over a thousand communities in Canada. We also operate WRCJ 90.9 FM, the classical and jazz radio station licensed to the Detroit Public Schools. Our vision is to educate, entertain and inspire, in partnership with our community.

DPTV is notably active in the community producing local programs that showcase arts, culture, news and analysis; and educational outreach campaigns that use the power of media to provide knowledge and understanding.

Detroit Public TV is built on relationships, and fosters the relationships it has with employees. We are committed to providing a creative and professional work environment with comprehensive benefits to support a positive work environment.

Detroit Public Television is looking for a Part-Time Technician (IBEW) to join our team in Wixom, MI.

What You'll Do:

Due to the project nature of our business, DPTV relies on Part-Time Technicians to support the changing needs of our organization. Part-time Technicians support us in staffing projects, long and short, to ensure we are able to provide the high quality productions that our community has come to know and love. Our flexible scheduling allows Technicians to work for multiple employers at one time. DPTV offers a creative and educational work environment and provides the ability for Technicians to network within the industry and make connections with our many partners. Technicians are eligible to join the International Brotherhood of Electrical Workers (IBEW) after 200 hours of employment.

Technicians at DPTV will perform technical assignments, operate variety of television broadcast equipment, and perform equipment maintenance in studio and remote locations.

Skills:

- Experience working in multiple broadcast positions including but not limited to: Studio and Field Camera Operation, Technical Directing (TD), Audio, Character Generator (CG), Lighting and Editing.
- Ability to work well with others in a fast paced and high pressure environment
- Commitment to quality and continuous improvement
- Ability to work without direct supervision
- Knowledge of state-of-the-art broadcast technology

Qualifications:

- 2+ years of relevant college education or 2+ years of work experience
- Experience or familiarity with television broadcast production equipment preferred
- FCC Commercial Radio Operator License or SBE certification preferred
- Valid driver's license and reliable transportation
- Available to work varied hours including weekends

What You'll Get:

- Opportunities to participate in personal and professional development programs.
- Opportunities to serve our mission and community.
- Great work environment.
- Flexible schedule.

How to Apply:

Send resume and cover letter to:

HumanResources@dptv.org
