Coming in July ... Summer of Space

"That's one small step for man, one giant leap for mankind"

To honor this incredible feat & its 50th anniversary, we will offer NEW science and history programming during the month of July!

- **Chasing The Moon**
tells the entire story of the space race
- **8 Days: To The Moon & Back**
rare audio conversations between Neil Armstrong, Buzz Aldrin & Michael Collins.
- **Ancient Skies** - discover how centuries of knowledge, experimentation & engineering helped our ancestors explore outer space.
- **NOVA - The Planets** - tells the dramatic story of our solar system.

NEW on PBS Kids

Molly of Denali
premieres JULY 15
