FIFTY YEARS OF REMARKABLE PRODUCTIONS

Assembled for the first time ever, the following lists represent programs made by personnel at the Maryland Center for Public Broadcasting, Maryland Public Television, and Maryland Instructional Television (MITV) or by College of the Air (COA) and International University Consortium (IUC) teams over the years. The information below, arranged in alphabetical order by what we believe to be the full, official titles of productions, has been compiled from various lists, materials in the MPT Archives, *Program Guides*, and other sources by alumni volunteers, MPT staffers, and other resource people. Because of space limitations, not included are short-form interstitials or public service announcements. We regret any inaccuracies or omissions. Please email corrections to: mptpresident@mpt.org.

Notes to readers:

- The article “the” has been omitted from the start of many titles below.
- Productions that earned regional Emmy® Awards from the National Capital Chesapeake Bay Chapter of the National Association of Television Arts & Sciences are shown in **bold face**. Productions that earned national Emmys® are shown in **BOLD UPPERCASE** letters.
