

Ruff and Smooth Scavenger Hunt

Search for TEXTURED treasures!

From a prickly pinecone to a soft sweater, everything we touch has texture. How many textures can you find inside or outside of your house? Race the clock or race a friend with this printable scavenger hunt.

Instructions:

- 1) Print the scavenger hunt table (on the following page). If you are playing with a friend, print two.
- 2) Begin hunting for textures on your list.
- 3) When you find something, draw a picture or write the object's name next to its matching texture.

TEXTURE describes the feel or appearance of an object or the material an object is made of.

More Ways to Play:

- Instead of drawing or writing, snap photos with a digital camera.
- In the spaces on your sheet, make crayon rubbings of the textures you find.
- Target your scavenger hunt. Look for objects in nature, in your kitchen, or on your walk to school.
- Explore other senses. Find things with different colors, smells, or even tastes. (Tastes found in the kitchen, of course.)
